About IEIA OPEN SEMINAR

The IEIA Open Seminar is the annual international conclave of the Indian Exhibition Industry - bringing together captains of the industry from across India and overseas. It serves as a unique platform for business networking, knowledge exchange, and discussions on emerging trends shaping the industry's future.

As the premier event of the Indian Exhibition Industry, the IEIA Open Seminar offers unmatched opportunities to connect with leading stakeholders, explore partnerships, and expand your business network by engaging with the right target audiences.

Now in its 15th Edition, the event will host 1,000+ industry leaders and 100+ international delegates from across the globe - making it the largest gathering of the Indian Exhibition Industry.

We warmly invite all stakeholders to join the 15th IEIA Open Seminar and experience two inspiring days of networking, learning, and collaboration, filled with camaraderie and memorable moments with peers from the industry.
